HONDA 9HP Two-Stage 28IN Snow Blower

#HSS928AAWD

\$2,659⁰⁰

This wheel drive model offers superb maneuverability on smooth surface with 14IN tall pneumatic, sure-grip tires featuring a retooled, aggressive directional tread pattern. The model has been redesigned with a larger blower diameter for increased snow removal speed, chamfered scraper for improved snow clearance and offer throwing distances of up to 52FT.

It carves a 28IN path yet handles nimbly and accurately across even surfaces. It comes standard with hydrostatic transmission, built-in LED headlight, fingertip steering control levers, offset blower shear bolt, 4-direction electric joystick chute control and automotive-style DC electric start with recoil back up.

HONDA 20IN Single Stage Snow Blower #HS720AA

\$649⁰⁰

The HS720 Series is easy to maneuver carves a 20in path while throwing snow up to 33ft. The auger assist drive helps move the HS720 when the rubber-edged auger contacts the surface. The replaceable rubber blades help clear snow in smooth treads right down to the surface. The Snow Director™ Chute Control feature allows easy control of distance and direction of snow removal. HSA720ASA features plug-in AC electric start for added starting convenience. All models feature large, operator friendly controls, glove-friendly fuel tank caps and a heavy-duty auger housing that stands up to harsh conditions.

HONDA Electric Start 20IN Single Stage Snow Blower #HS720ASA

\$699⁰⁰

HONDA 9HP Two-Stage 28IN Track Drive Snow Blower #HSS928AATD

\$2,779⁰⁰

Honda HSS928ATD & HSS1332ATD dual track drive models come standard with ice-breaking, heavy-duty, serrated augers. The auger shafts are bearing supported and the auger drive is equipped with an easily replaceable offset blower shear bolt. These track drive models are outfitted with a pneumatic, all-new auger height lever that adjusts to varying surface conditions with the press of a thumb. Larger impeller diameters increase snow removal speed and offer throwing distances of 49ft to 56ft depending on model. HSS928ATD & HSS1332ATD dual track drives come standard with hydrostatic transmission, built-in LED headlight, fingertip steering control levers, 4-direction electric joystick chute control and automotive-style DC electric start with recoil back up.

HONDA 13HP Two-Stage 32IN Track Drive Snow Blower #HSS1332ATD

\$3,199⁰⁰
