

SUMP & SUBMERSIBLE PUMPS

LittleGIANT®

Submersible Utility Pump

#5MSP

For residential, commercial and industrial use where liquid must be transferred or recirculated. This utility pump is designed for continuous use and features a removable inlet screen for easy cleaning. Epoxy-coated cast aluminum housing.

\$170⁰⁰

Submersible Sump Pump

#6CIA

This pump is designed for continuous use and features a multiple switch option for automatic operation. Epoxy-coated cast iron housing is oil filled for lifetime lubrication and rapid heat dissipation.

\$169⁹⁵

Submersible Sump/Effluent Pump

#6ENCIASFS

This pump is designed for continuous use with multiple switch option for automatic operation. Permanent Split Capacitor motor that offers a lower current draw, energy efficient, improved performance. Epoxy-coated cast iron housing is oil filled for lifetime lubrication and rapid heat dissipation.

\$187⁵⁰

Submersible Trash Pump

#ST2040T

Lightweight, compact trash pump is ideal for moving water with solids up to one inch. Heavy-duty cast iron housing.

\$408³³

Submersible Plastic Sump Pump

#SS233

Lightweight, compact pump de-waters surfaces to one inch levels and has a hardy thermoplastic pump casing body that resists corrosion and heat.

\$325⁶⁵

Submersible Puddle Pump

#ST2038P

This lightweight, compact centrifugal pump has the ability to de-water flat surfaces up to 1/16" without placing the pump in any type of sump. Rugged cast aluminum housing makes it ideal for residential, commercial and industrial applications.

\$542¹⁵
