Customer may not sublease or loan the equipment without Dealer's written permission. Any purported assignment by Customer is void.
- TIME OF RETURN.** Customer's right to possession terminates on the expiration of the rental period ("Due In" date & time) and retention of possession after this time constitutes a material breach of this contract. **Time is the essence of this contract.** Any extension must be mutually agreed upon in writing.
- LATE RETURN.** Customer agrees to return the rented goods during Dealer's regular store hours, upon expiration of the rental period ("Due In" date & time). Customer agrees that if the rented goods are held beyond the expiration of the rental period ("Due In" date & time) as designated in the contract, the daily rate as indicated on the contract shall be the agreed contractual rate for the entire period, notwithstanding any lesser periodic rate.

- COLLECTION COSTS.** Customer agrees to pay all reasonable collection, attorney's and court fees and other expenses involved in the collection of the charges or enforcement of Dealer's rights under this contract.

- INSPECTION OF TRAILER HITCH.** Customer agrees to inspect the trailer coupling mechanism and safety chain before leaving Dealer's premises. Customer also agrees to inspect the equipment periodically (every 100 miles) and to maintain the coupling and chain in a safe and secure condition.

- LOADING AND UNLOADING EQUIPMENT.** Customer is responsible for loading and unloading equipment. If Dealer's employees assist in loading or unloading the equipment, Customer agrees to assume the risk of, and hold Dealer and/or its employees harmless for any property damage or personal injuries, including damage and personal injuries attributable to the negligence of Dealer and/or its employees.
- SAFETY REGULATIONS.** LESSEE SHALL: (1) erect, maintain and use the leased equipment in a safe and proper manner; (2) comply with all applicable laws, ordinances, rules, regulation and orders of any public authority, including, but not limited to, ALL FEDERAL OCCUPATIONAL SAFETY AND HEALTH ACT (OSHA) and State regulations having jurisdiction for the safety of persons or property; and (3) comply with any rules or regulations promulgated by lesser with respect to the leased equipment, its manner of erection and use.
