Stihl batteries are based on Stihl Lithium-Ion technology, hitting the sweet spot of performance and weight. They're also customer engineered by Stihl to include a host of advanced features.

They're designed to last - even after 500 charges, the battery retains over 80% capacity. Our batteries include specialized voltage monitors and temperature sensors to help ensure optimal operation and long service life.

BATTERIES	Quick Charge Guide				CHARGERS	
	AI	AL 100	AL 101	AL 300	AL 500
